

Admission to School of Engineering, JNU – 2022

Please note the following:

1. The physical reporting for candidates who have been allocated a seat in School of Engineering, JNU shall be done by the admission branch of the university and not the School of Engineering
2. The candidates will receive intimation from the university on their registered email address and phone number.
3. The registered email address and phone number shall be the one used by the candidates during JoSAA/CSAB counseling
4. The dates mentioned in the JoSAA/CSAB tentative schedule are only indicative. The university will call candidates for physical verification after following its due process.
5. Candidates are advised to wait for the email/message intimation from the university before they plan their travel to Delhi.
6. The school will put up documents on its website if any information is to be disseminated to the candidates.
