1. **The pre-enrolment process:** August 25, 2025 to August 31, 2025

Admission branch of JNU will send link for pre-enrolment process wherein the candidates will be required to submit documents online and pay mandatory institutional fees (different from the fee paid in JoSAA/CSAB counselling & hostel/mess fees).

The candidates are required to come physically to the campus for document verification and confirmation of admission to the School of Engineering (SoE). The seat allocated through the counseling only guarantees provisional admission. Once the physical reporting and verification is complete, the candidate will be allocated an unique registration and enrolment number by the University.

3. **Hostel allocation in JNU:** Candidates are expected to visit the Inter Hall Administration (IHA), JNU. The information about hostel fees and mess charges will be given by IHA. Candidates are not to make phone calls/e-mails to either the School or admission branch for the same. These charges are different from the fee deposited with JosAA/CSAB or the institutional fees to be paid at the time of pre-enrolment.
